## THE NEW PILLAR SOCIETY ANNUAL CAMPAIGN HAS BEGUN...

SUPPORT YOUR SHUL THROUGH ENHANCED MEMBERSHIP

Pillar Society was launched by Boca Raton Synagogue (BRS) several years ago for those members that wish to help our synagogue continue to offer the highest possible level of educational, religious, and social programming to our community. In these difficult economic times, when many of our members are struggling to even pay basic dues, your support is more critical than ever.

Your involvement in Pillar Society is a major public commitment to the ideals and principles of Boca Raton Synagogue, which continues to be a flagship congregation on both a local and national level. BRS offers multiple gateways to individuals representing the entire spectrum of religious background and observance. The broad range of services, programs, and activities provided by our Shul clearly establishes BRS as the epicenter of Jewish life in our area, and makes available many portals of entry into the study of our heritage, culture, and traditions.

Pillar Society creates a solid financial base for the Synagogue and compensates for the reduced membership revenue to the Shul from Members struggling in difficult economic times. It has always been among the highest Jewish principles to provide for our fellow Jews. At BRS, no one is turned away due to the lack of financial resources.

Thank you for your critical support of our synagogue.

## DECORUM DURING SERVICES

The common goal of all Minyanim at BRS is to provide an environment that will promote our ability to authentically and meaningfully connect to God through prayer. To meet this goal, we need the cooperation of all those present: young and adult, members and visitors alike. Please refrain from conversation during Davening; it is an affront to God and unkind to people who sincerely desire to pray. On weekdays, please shut off the ringer on your cell phone and refrain from answering calls in the Sanctuary. On Shabbat, parents are encouraged to make sure their children are either in groups from 10:30 - 11:30 AM or sitting with them in Shul. Details regarding the existing Shul policy were mailed to all BRS parents. We appreciate all parents' cooperation and support as we work together to improve our children's synagogue experience, Shul decorum, respect for a "Makom Kadosh" (a holy place) and their safety.
